

Develop Your Business and Marketing Skills

Summer 2022 Paid Internship

Location: Great Yarmouth

With a reputation for delivering amazing customer service, our client is looking for an enthusiastic Summer Intern to support business and marketing activities, liaising with a wide range of clients primarily in the oil & gas and renewable energy industries.

The role involves working with a team of professionals to:

- Learn about the business and the current marketing activity
- Follow up leads from trade shows
- Call clients and prospects
- Update the client database
- Create website and social media content

If you are keen to learn more about business and marketing in an engineering-related unique environment and have good communication skills then please apply.

Please send your CV to: rachelb@us2uconsulting.com or telephone **01603 716852**
